Approximate
Time Frame

2:00 to 5:00

Transportation Facilities Site Visit

UDOT will conduct the site visit and respond to Committee questions. Hard hats and orange vests will be provided. Committee members are advised to wear appropriate closed-toe shoes.

- Committee members will car pool to the Traffic Operations Center (2060 South 2760 West, Salt Lake City) and begin touring facilities at 2:00 p.m. The Committee will observe how operators at the Traffic Operations Center can monitor traffic, detect roadway incidents and crashes, and take actions necessary to return traffic flow to normal by using traffic and weather sensors and almost 600 cameras.
- At about 3:00 p.m., the Committee will board a bus and travel to 11400 South where construction is currently underway to add a new interchange on I-15. The project will also widen and connect 11400 South from State Street to Bangerter Highway. Participants will tour the site and view construction activities currently underway.
- At about 4:15 p.m., the Committee will board a bus for return to the Traffic Operations Center.
